

CURRICULUM VITAE
Dr Michael Papitsas

PERSONAL DETAILS:

Surname:	Papitsas
Name:	Michail
Gender:	Male
Date of Birth:	1 st January 1977
Place of Birth:	Serres, Greece
Nationality:	Greek
Address:	Lytra 3, Post Code: 54640
Town:	Thessaloniki
Country:	Greece
Mobile:	+30 697 1660 345
Email:	michael.papitsas@gmail.com

CONTINUOUS EMPLOYMENT HISTORY

31/10/2003	Diploma in Medicine Faculty of Medicine - School of Health Sciences - University of Thessaly Larissa, GREECE
03/11/2003	Licence to Practise Medicine , Registration No: 2500 Hellenic Republic, Prefectural Authority of Serres, General Directorate, Directorate of Health – Welfare, Department of Health, Greece.
05 January 2004 – 08 May 2005	General Practitioner (Obligatory Rural service) in Vyronia General Practice - Sidirokastro Health Centre, General Hospital of Serres
02 August 2005 – 02 August 2006	Military Doctor (Obligatory service) in Hellenic Army 251 Airforce General Hospital, Athens, GREECE 1st Area Control Centre (1 ACC) - Hortiatiss, Thessaloniki, GREECE
03 March 2007 – 15 February 2009	General hospital of Edessa, Edessa, Pella (GREECE). Senior House officer in Internal Medicine. (Clinical Director Dr C. Kitkas)
01 March 2009 – 31 August 2009	Private Clinic "Asclepius Clinic L.C.", Veroia (GREECE) Senior House Officer in Internal Medicine in private practice
04 September 2009 – 27 December 2010	General Hospital of Edessa, Edessa, Pella (GREECE). Senior House officer in Cardiology (Clinical Director Dr P. Makridis)
03 January 2011 – 04 February 2014	G.Papanikolaou, General Hospital Thessaloniki (GREECE) Specialist Registrar in Cardiology (Clinical director Dr I. Zarifis)
April 2014	CCT in Cardiology Hellenic Republic, Region of Central Macedonia, General Directorate of Health & Social Welfare, Public Health Directorate, Department of Health Services & Health Professions, Greece.
01 May 2014 – 01 December 2018	King's College Hospital – Non-Invasive Cardiology Department (UK) & Princess Royal Hospital- Cardiology non-invasive diagnostics Department (UK) Clinical Fellow in Cardiac Imaging (Director Prof. Mark Monaghan)
01 February 2019 – till now	Cardiology Consultant in Aretaios Medical Center, Thessaloniki, Greece

CONTINUING PROFESSIONAL DEVELOPMENT

7 April 2012	Basic principles in writing and publishing a research article in Biomedical Sciences (8 hours workshop), SCRIBERE Workshops
10-14 December 2012	Statistical data processing (SPSS) (25 hours training programme), Inter-balkan Institute of Public Administration
2 February & 2 March 2013	Training Course of Echocardiology - Imaging , Northern Greece Society of Cardiology
23-24 February 2013	ALS (Advanced Life Support) course , European Resuscitation Council.

May 2014 - December 2018	Performing: - Transoesophageal (2D & 3D) studies in outpatient setting, during cardiac surgeries and for interventional procedures - Transthoracic (2D, 3D & contrast) studies - Stress Echo (pharmacological, valve-stress) King's College Hospital NHS Foundation Trust
02 February 2016	Certification in Adult Transthoracic Echocardiography (Written Assessment) - European Association of Cardiovascular Imaging (EACVI)
1 July 2016	The Role of Imaging in TAVI: A Meeting of Hearts and Minds , British Heart Valve Society
October 2016	European Certification in Adult Transesophageal Echocardiography - European Association of Cardiovascular Imaging (EACVI)
22-24 November 2016	Cardiovascular Magnetic Resonance Course (SCMR level I) , King's College London - Department of Cardiovascular Imaging
6-11 November 2016	UK Cardiac CT Course Level 1 and 2 , Royal Brompton & Harefield NHS Foundation Trust
May - October 2017	Performing CT Cardiac Angiograms in outpatient setting, UHL Lewisham & Greenwich NHS Foundation Trust
September 2017 - December 2018	Training in Cardiac MRI's in outpatient setting, King's College Hospital NHS Foundation Trust
1 May 2018	CMR stress perfusion and ischaemic heart disease online course , European Association of Cardiovascular Imaging
2 May 2018	Non-ischaemic cardiomyopathies online course , European Association of Cardiovascular Imaging
14 March 2019	Level II Competence in Cardiovascular Magnetic Resonance , Society of Cardiovascular Magnetic Resonance

CLINICAL TRIALS (working as Investigator)

May 2011 - May 2013	STREAM-Strategic Reperfusion (With Tenecteplase and Antithrombotic Treatment) Early After Myocardial Infarction
November 2011 - January 2013	Effect of Otamixaban Versus Unfractionated Heparin + Eptifibatide in Patients With Unstable Angina/Non ST Elevation Myocardial Infarction Undergoing Early Invasive Strategy (TAO)
April 2012 - December 2016	Efficacy of Ranolazine in patients with Coronary Artery Disease (CAD)
November 2015 - December 2017	International Study of Comparative Health Effectiveness with Medical and Invasive Approaches (ISCHEMIA)
June 2017 - June 2018	Efficacy of LUMINITY® and SonoVue® in the Evaluation of Left Ventricular Endocardial Border Definition
October 2019 - today	Semaglutide Effects on Heart Disease and Stroke in Patients With Overweight or Obesity (SELECT)

SCIENTIFIC PUBLICATIONS:

- “Trespassing stent.”
